Request

You are not obliged to provide the information we ask about under this section, and it will not affect the outcome of your case. All the information you give may increase our knowledge, and help us protect our taxation system. Information about advisers can be exchanged with foreign tax authorities, but we never exchange information about you.

Did you use advisers or other intermediaries to complete transactions, for management purposes or to place assets?

Tick the box:

Yes No

Are you willing to provide more information about which advisers or other intermediaries who helped you with transactions, management or placement of assets?

Other information you want to provide
